Subject: Re: FOR REVIEW: Rosemont Copper Mine Write-Up

First off please ask for more time. I thought we were working this issue on our end before OFA was going to start sending things up. Also please ask who in Sr leasership they would be sending this to. I would prefer that we have a call with Aimee and whoever else on their end before we spend a lot of time providing comments. I am available in the morning.
Thanks

Subject: **FOR REVIEW: Rosemont Copper Mine Write-Up**

Kathy,

Attached is a draft write-up on the status of Rosemont Mine. We would like to send it to senior management tomorrow afternoon.

Can you please take a look at the attached write-up and let us know if you have comments or proposed changes by noon tomorrow EST? If you need additional time, or have questions, please let me know.

Thank you, Aimee
